

## **Release and Waiver of Legal Liability**

The completion of a safety orientation is a condition of usage of the Quelab space by members of the public, as well as a requirement of membership. In consideration for my being permitted to participate in the activities of Quelab, I agree to the following waiver and release:

**ASSUMPTION OF RISK:** I hereby expressly and specifically assume any and all risk of injury, illness, death, or property damage resulting from my activities at Quelab. I understand that Quelab activities, particularly those involving electronics, construction, fabrication, and other tool-related activities, can be inherently dangerous activities. Risks and dangers may be caused by other participants, members, or by accidents, acts of nature, or other causes. Risks and dangers may arise from foreseeable or unforeseeable causes including, but not limited to: electrocution, burns, impalement, injury from slips or falls, etc. While Quelab takes all steps it can to maintain safety, I agree that I am not relying upon Quelab to do so exclusively.

**RELEASE OF LIABILITY:** I fully assume all risks associated with participation in events and exempt and release the Space Federation, Quelab, its members, officers, directors, and agents from action arising out of any damage, loss, or injury to the participant or the participant's property while upon the premises or while using any equipment of the organization or while participating in any of the activities covered by this agreement. Your release is complete, whether your claim is due to the negligence of Quelab or is based on any other legal or other theory whatsoever. You also understand that Quelab does not assume any responsibility for, or obligation to provide, financial or other assistance, including but not limited to medical, health or disability insurance, in the event of injury or illness.

**COVENANT NOT TO SUE:** I agree never to institute any suit or action at law against the Space Federation, Quelab, its members, officers, board members, or agents nor to initiate or any way assist the prosecution of any claim for damages or course of action which the member, member's heirs, executors, or administrators hereafter may have by reason of injury to the person of the member or to the participant's property arising from the activities contemplated by this agreement.

**THIRD PARTY INDEMNIFICATION:** I agree to indemnify, save and hold harmless the Space Federation, Quelab, its members, officers, directors, or agents from any and all losses, claims, actions, or proceedings of every kind and character which may be presented or initiated by any other persons or organizations and which arise directly or indirectly from the actions of the the undersigned while engaged in the activities contemplated by this agreement.

I hereby acknowledge that I have CAREFULLY read all of the provisions above, fully understand the terms and conditions expressed there, and do freely choose acceptance of the provisions of the foregoing paragraphs relating to assumption of risk, release of liability, covenant not to sue, and third party indemnification.
